

## Partial or full cash-in

### Notes to help you

This form enables you to take a one-off withdrawal from your International Prudence Bond by partially or fully cashing it in.

Please send the completed form to Prudential International, Stirling FK9 4UE.

This form is divided into sections. **Notes** are provided at the end of each section to help you to complete the section.

Please use black ink and write in CAPITAL LETTERS or tick as appropriate. Any corrections must be initialled – do not use correction fluid as this will invalidate your application.

#### Tax warning

Tax may be payable when you make either a partial or full cash-in. If you are in any doubt as to how your withdrawal will be taxed please consult your financial adviser BEFORE submitting this form.

Prudential International Assurance cannot, under any circumstances, undertake tax calculations for either bondholders or their advisers.

#### Non UK resident bondholders

Any tax liability may vary depending on your individual circumstances including, but not limited to, your tax residency and the size of any partial or full cash-in you take from your bond.

#### UK resident bondholders only

There are different tax consequences depending on how you cash in your bond. These depend on whether the withdrawal is made by cashing in full policies (segments) or by cashing in across all policies, which uses the 5% tax-deferred allowance.

Please note the 5% tax-deferred allowance does not apply to company bondholders.

The above is based on our understanding, as at April 2011, of current UK taxation, legislation and HM Revenue & Customs practice, all of which are liable to change without notice. The impact of taxation (and any reliefs) depends on individual circumstances.
