Important Information

a) Tax warning: Please read before completing this form

If the total of regular withdrawals, one-off withdrawals taken across all policies in a Bond, any Ongoing and Ad hoc Adviser Charges, in any policy year, exceeds 5% of the amount invested, it will create a Chargeable Event for tax purposes and may produce a liability to income tax above the basic rate, and/or may affect entitlement to personal allowance and certain tax credits. This 5% allowance comes to an end once you have withdrawn 100% of the amount you invested. Please contact your financial adviser for details. **If you're not sure how your withdrawal will be taxed you should speak to your financial adviser before you submit this request.**

- b) When regular withdrawals start or change, the amount requested during any 12 month period can't exceed 10% of the premium including additional investments.
- c) A regular withdrawal is only allowed if the bond value, before deducting any charges but after taking any negative balance into account, is more than £1000 after the withdrawal.
- d) Withdrawals are taken equally from all the policies in the Bond.
- e) Withdrawals are paid in £ Sterling.
- f) We may need documents to prove the entitlement of the person(s) requesting payments (e.g. Deed of Assignment).
- g) Where payments are made by Direct Credit or Telegraphic Transfer and we are unable to verify account ownership, we may need documentation to verify that the account is held in the name(s) of the policyholder(s). This can be provided by submitting a certified copy of a bank statement, or other suitable document, for the account to which funds are to be sent. **Payments can't be made until full Bank Account verification is confirmed.**

We may need additional information (e.g. a certified copy of a bank statement) if payment is being made to an account where we can't verify the details of the account provided.

Please note that **all payments** will be made to the account specified unless otherwise told. We need to pay all the legal owners (except in the case of a Bond held in Trust), so any specified account must be in the names of all the legal owners. For cases with multiple trustees, payments must be made to an account in the name of at least one of the trustees, as a legal owner, with the authority of the other trustees.

If you want to change this account, or request payment to a different account in the future, we may need additional identification/verification documentation before any payments are made. This will also apply if any changes have been made to the account ownership.
