Some important information before you start

To add new money to Flexible Retirement Plan (FRP) you:

- must arrange the plan with advice from a financial adviser
- must be a UK resident
- must be aged between 16-75 for the Personal Pension Plan, and can only choose to enter Drawdown before your 89th birthday.

Please read the Key Features Document as this will provide you with important information regarding the key risks and benefits of the product(s) to help you make a decision.

Please also read the guide to fund options as this will provide you with full details of the funds available, their objectives, Prudential's Risk rating of these funds and the charges and costs, to help you select the funds suitable for your needs.

Copies of the Plan Terms and Conditions and the completed application form are available on request. To deliberately give false information may lead to serious consequences.

Important Information

The PruFund Protected Funds are currently unavailable to new investments.

When you finish filling in the form

- Before you send the form please check that all applicable answers are complete. If a form is incorrect or incomplete, setting up the plan may take longer. This will affect the date the investment is made and applicable tax relief.
- If you are choosing Drawdown, please note that all payments (including full, partial and regular) will be made to the account specified unless otherwise advised. We are required to pay the legal owner so any specified account must be in the name of the legal owner. Specified yearly monetary amount £ p.a.

Frequency of ongoing Adviser Charges to be deducted. (Please tick ONE box)

yearly monthly

We have limits which set out the maximum level of Adviser Charging which we will facilitate. For Ongoing Adviser Charges this is 1% of the fund value.

Ongoing Adviser Charges will be calculated and deducted proportionately across all insured funds including PruFund Protected Funds and the With-Profits Fund.

If you take an Ongoing Adviser Charge from the PruFund Protected Fund it will reduce the Guaranteed Minimum Fund.

If you take an Ongoing Adviser Charge from the With-Profits Fund, a Market Value Reduction may be applied to your fund.

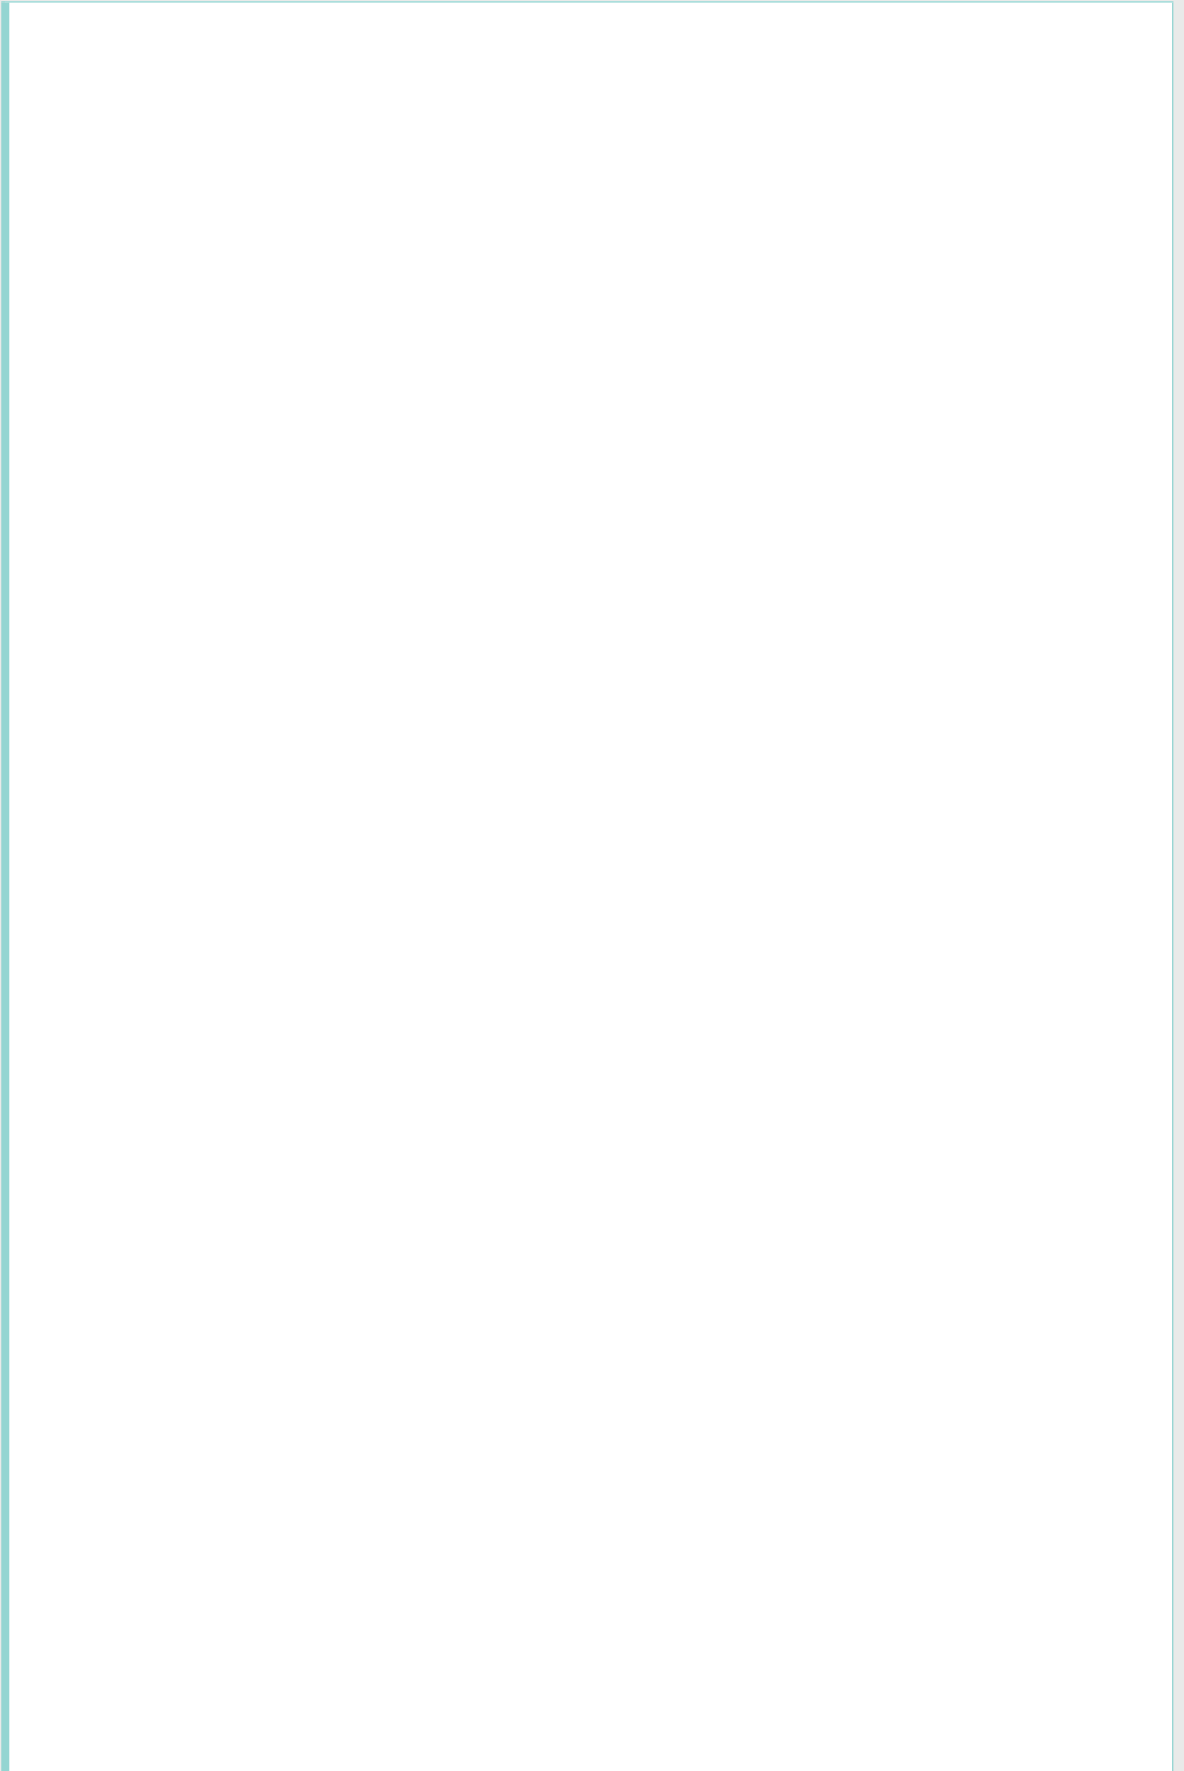

You can choose to exclude PruFund Protected Funds and/or the With-Profits Fund from the deduction of these charges, if you are also invested in at least one other fund (excluding the Self-Invested Fund).

Please tick if you wish to exclude the PruFund Protected Fund from the deduction of Ongoing Adviser Charges.

Please tick if you wish to exclude the With-Profits Fund from the deduction of Ongoing Adviser Charges.

13. Investor's declaration (all applicants)

As HM Revenue & Customs grant tax relief at source on the strength of this application you should be aware that it is a serious offence to make false statements; the penalties are severe and could lead to prosecution.

Please read this section carefully before you sign and date this form.

These declarations apply to all applicants:

1. I declare that to the best of my knowledge and belief, the details given by me in this application are true and complete and agree that the terms of this application, any other written statement by me or on my behalf to Prudential, the answers to any additional questions put to me by Prudential's Medical Examiner, together with Prudential's Acceptance, shall form part of any relevant contracts.

2. I understand that I can alter the terms of my plan by giving revised instructions to Prudential, in writing, and that these revisions can be either directly from me, from my employer, or from the financial adviser who arranged my plan (or from any other adviser I appoint in writing and accepted by Prudential) provided that such revisions are allowed in terms of the Rules and Plan Conditions.

3. I agree that Prudential may change the terms of the contract later if I have given incomplete or inaccurate information in this application.

4. I understand if I select the Self-Invested Fund for all or some of my payment, and purchase any assets within the first 30 days that are either non publicly quoted or not readily realisable, then I automatically waive the right to cancel the self-invested part of this plan or plans.

5. I consent to Prudential providing the financial adviser detailed in this Application Form, information on all my Prudential Individual Pension Plans (including group arrangements). This authority is valid until it is cancelled, in writing, by me, or by submission of future applications.

6. I understand that I am responsible for any tax charges on unauthorised payments if the information that I have given is not complete and correct.

7. I confirm that if I am self employed any payments to the pension plan from the business/partnership account will be reimbursed as applicable.

8. If I have taken benefits from any pension arrangement, with the current or any other pension provider, in a way which means I am subject to the Money Purchase Annual Allowance (MPAA), I have supplied the date the MPAA first applied to me in Part 1.4.

9. I authorise Prudential to act upon my instructions regarding the facilitation of Adviser Charges (the "Adviser Charge Instruction") whether specified here now or elsewhere at any time in future. I also understand that Prudential shall not be required to carry out such instructions (including any permitted by my adviser firm) where they conflict with any applicable law or regulation and/or where they are inconsistent with Prudential's Adviser Charge administration capability.

I understand that where there is a difference between the Adviser Charge Instruction and the Adviser Charges agreed with my adviser firm, Prudential will only facilitate payment in accordance with my Adviser Charge Instruction.

I confirm that the Adviser Charge specified in my Adviser Charge Instruction is inclusive of any VAT at the prevailing rate from time to time.

I understand that if the level of VAT applicable within the Adviser Charge changes (including where previously VAT free Adviser Charges become subject to VAT) Prudential will only alter my Adviser Charge following a new Adviser Charge Instruction or instruction from my adviser firm which sets out the new level of charges to be deducted.

I understand that, with the exception of changes in the level of VAT, the Adviser Charge may not be increased without my explicit authority.

I agree that the Adviser Charge may be reduced or stopped by Prudential or my adviser firm without my explicit authority.

I agree that where my adviser firm arranges for the services I have agreed with them to be provided by another adviser firm, I authorise Prudential to amend my Adviser Charge Instructions to pay the Adviser Charges at the existing agreed level to the new adviser firm, except where they conflict with any applicable law, regulation and/or HMRC practice and/or where they are inconsistent with Prudential's Adviser Charge administration capability.

I confirm that I have discussed with my financial adviser the tax implications of having my Adviser Charge deducted from the Plan.

I understand that any Adviser Charge not paid in line with HMRC rules will result in unauthorised payments and tax charges for which I will be liable.

I confirm that:

(i) my Adviser Charges arise from genuinely commercial remuneration arrangements between myself and my adviser which are appropriate to the advice and service my adviser provides me in relation to my registered pension scheme(s);

(ii) any Set-up Adviser Charges are solely in respect of the initial advice to set up this pension plan(s)/ these pension plan(s);

(iii) where I have selected Ongoing Adviser Charges I am receiving ongoing pensions advice and/or a service from my adviser in relation to my registered pension scheme(s).

13. Investor's declaration (all applicants) – continued

I understand that Ongoing Adviser Charges must stop if I cease to receive ongoing pension scheme advice and/or service(s) from my adviser in relation to my registered pension scheme(s) and that I must inform Prudential prior to the occurrence of such event.

If any Adviser Charges are overpaid to my adviser I understand that I must ensure that the overpayment is returned to my pension scheme. In the event

that an overpayment is not returned to my pension scheme I understand that I will be liable for any tax consequences that may arise from the breach of any UK tax legislation.

I understand that Adviser Charges deducted from my pension plan(s) will have an impact on the benefits payable from such plan(s).

Applicants making regular or single contributions:

Please treat this form as several Applications, each in respect of an Arrangement under the Scheme. I agree that the Scheme Administrator should decide on the number of Arrangements.

I declare that

- my total contributions to all UK registered pension schemes (schemes that attract tax relief) will not exceed the higher of

(i) my Relevant Earnings (broadly UK taxable earnings directly from a trade, or profession or employment) and

(ii) £3,600 (including tax relief), if my Relevant Earnings do not exceed £3,600.

- if I cease to be a UK resident, for tax purposes or cease to be eligible for tax relief on any contributions that I am paying (because my earnings have reduced), I will write to Prudential to confirm this before the later of

(i) 30 days after the change, and

(ii) the 5 April at the end of the tax year when my circumstances change.

3. I understand that if my employer is contributing to the plan

- my regular contributions, if any (net of tax at the basic rate) will be deducted from my earnings after all other deductions and will be sent to Prudential along with my employer's contributions (if any) and I authorise such deductions from my earnings.

- my employer intends to continue to pay the employer contributions (if any) but may stop them at any time and, if this happens, I will be told.

4. Where my employer has agreed to arrange contributions to my plan I consent to:

- Prudential giving my employer information about my plan.
- Prudential getting more information, and I consent to the giving of such information, as may be necessary for the installation and administration of my plan.

Applicants for transfer payments

Declaration to the Existing Pension Provider

Declaration to Prudential and Existing Pension Provider

1. I accept responsibility in respect of any claims, losses, expenses, additional tax charges or any penalties that Prudential and the current provider may incur as a result of any incorrect, untrue, or misleading information in this application or given by me, or on my behalf, or of any failure on my part to comply with any aspect of this application.

Declaration to Prudential:

1. I apply for membership of the Prudential (SAL) Personal Pension Scheme and agree to abide by its Rules.

2. I request that Prudential set up a Personal Pension and/or Drawdown Plan or Plans for me in respect of this transfer value. I understand that the number of such separate Arrangements and Plans will be decided by Prudential.

3. I understand that no benefits arising as a result of this transfer are capable of commutation, surrender or assignment except as permitted by the Finance Act 2004.

4. I consent to Prudential's giving to or obtaining from the current provider, such further information as may be reasonably necessary for the installation and administration of any plan set up as a result of the transfer.

5. Where I have chosen the holding account option in Part 4, I understand that each transfer value will be held in a holding account under the scheme, earning a commercial rate of interest, until such time as all monies and requirements, as determined by Prudential, are received.

Declarations that apply to all applicants using Drawdown

6. I understand and agree that if I have applied for a Drawdown Plan:

a) I may alter the amounts, and frequency, of the Drawdown payments by giving revised instructions, in writing or otherwise, in a manner acceptable to Prudential provided that such payments are made only to the bank or building society account detailed in Part 7 of this application (or to any replacement account which I subsequently confirm in writing to Prudential);

b) I cannot pay or transfer any further monies into any existing Drawdown Plan and any new monies will be invested in a new Plan or Plans;

c) Prudential may adjust Drawdown payments at any time in the future if this is necessary to comply with HMRC rules;

7. Prudential will review my Capped Drawdown plans every three years, or earlier if agreed by Prudential, in accordance with the scheme rules. From age 75, Prudential will review my Capped Drawdown plan every year.

8. I understand where I have chosen to take income that I am responsible for ensuring there is sufficient cash in addition to the minimum bank account balance to pay the income I require where that income is to be taken, in whole or in part, from the Self-Invested Fund.

9. I understand that where I have multiple transfer values, these will be held in a holding account under the scheme, earning a commercial rate of interest, until such time as all monies and requirements, as determined by Prudential, are received.

10. I undertake to advise Prudential if information completed in Part 7 in relation to Lifetime Allowance, where applicable, changes between the date I submit my application and terms and conditions are issued.

11. I declare that I have no intention of "recycling" any tax-free cash lump sum detailed in this form (i.e. investing the tax-free cash in another pension contract in a way that would breach HMRC rules.

12. I request that maximum income reviews are conducted within the timeframe set out in legislation and as agreed with Prudential (Capped Drawdown only).

13. I understand that any Set-up Adviser Charge will be paid after the designation of my funds as available for the payment of my drawdown pension.

14. If I am transferring a capped drawdown arrangement(s) to a flexi-access drawdown arrangement(s), I will be subject to the Money Purchase Annual Allowance (MPAA) from the date of my first flexi-access payment, or if I am already subject to the MPAA, I have supplied the date the MPAA first applied to me in Part 1.4.

We, Prudential UK, take the privacy and protection of your personal information seriously.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (see Part B for more)
- the provision of customer services – like to reply to a question, or tell you that something's changing
- automated decision-making or profiling (see Part C for more)
- keeping your information on record and carrying out other internal business administration

In addition, we, M&G plc and our Marketing Partners, will use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic and non-electronic means including by post, as well as sending you introductions to products and services from carefully selected third parties also by post. Please see Part G for further details.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We may also rely on legitimate interests in using and sharing your personal information for the purposes described above to improve our products and services. This allows us to explore

ways to develop our business and to gain insights into how our products and services are used. To the extent that we need your consent to use your personal information for the purposes described above, you explicitly provide your consent by signing and returning this form, or as set out in Part G as appropriate.

We'll share your personal information within M&G plc and with our Business Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the UK or the European Economic Area. These transfers will only be to countries in respect of which the European Commission has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America, where appropriate safeguards have been put in place.

If you want to know more about these safeguards – like our use of the European Commission's Model Clauses which govern the transfer of information outside of the European Economic Area – further information is available on request.

We keep your personal information for a set amount of time

Your personal information will be stored either for as long as you (or your joint policyholder) are our customer, or longer if required by law or as is otherwise necessary. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, you explicitly provide your consent by signing and returning this form.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive)
- in certain circumstances request that we move your personal information to another organisation if you want us to
- request that we correct anything that's wrong, or complete any incomplete personal information
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing
- limit how we use your personal information or withdraw your consents (including automated decision making) you have given for the processing of your personal information
- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the Contact Us section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is Prudential UK. Prudential UK have also appointed a Data Protection Officer who can be reached at the address shown in the Contact Us section of this document.

We may monitor or record calls or any other communication we have with you. This might be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above)
- you getting any information protection notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number below before sending us anything.

Part G – Direct marketing

We and M&G plc will still send you information by post about the Prudential UK and M&G plc's products and services and carefully selected third parties.
